## **About Save the Harbor**

Save the Harbor/Save the Bay is the region's leading voice for clean water and continued public investment in Boston Harbor, connecting over 300,000 youth, teens and families to the region's public beaches, the waterfront, and the Boston Harbor Islands. Our mission is to restore and protect Boston Harbor, Massachusetts Bay and the marine environment and share them with the public for everyone to enjoy.

## **About Destination Boston Harbor**

Save the Harbor/Save the Bay's annual gala is a wonderful evening of cocktails, dinner, seeing old friends and meeting new ones to support Save the Harbor's mission. We're looking forward to seeing our many corporate, civic and community partners as we celebrate our shared successes and honor our 2024 Harbor Heroes.
